ITINERARY

DAY 1: ATHENS – CORINTH CANAL – ANCIENT CORINTH – KALAVRITA – MEGA SPILAIO - CAVE OF THE LAKES - NAFPLIO

Our driver will pick you up from your hotel, leave Athens, and drive towards the Peloponnese region. After a quick stop at the Corinth Canal, we will drive to our next destination, the Archaeological Site of Ancient Corinth, where we will visit the Museum and the Ancient Agora. At the Agora, we will see the Altar of the Apostle Paul, where he stood to address the Jews and residents of Ancient Corinth to convert them to Christianity. Leaving Corinth, we will drive on the coastal road facing the Corinthian golf until the village of Diakopto. There, you will board the train of the Cog Railway, which connects Diakopto—a spectacular and unforgettable ride through the gorge of Vouraikos—and the Town of Kalavrita. The driver will pick you up from the train station, and you can have lunch in Kalavrita before you visit Mega Spilaio, the oldest Monastery in Greece, built in the 3rd century AD. The next stop will be at the Cave of the Lakes, a unique and rare beauty cave. The last stop is the city of Nafplio, where you can visit the traditional, historic part of the city, complete with numerous coffee shops and restaurants on its small, narrow streets. Nafplio was the first Capital City of Modern Greece for a few years after Greece's Independence from the Ottoman Empire. We'll stay overnight in Nafplio.

DAY 2: NAFPLIO – EPIDAURUS - ATHENS

The following day, we will drive to our next visit to the Archaeological site of Mycenae, the Palace of Agamemnon, the Museum, and the Treasure of Atreus.
The next stop will be at the Archaeological Site of Epidaurus, where you will visit the Museum, the famous Theatre with its incredible acoustics, and the archaeological site of Asclepıeion, an ancient hospital named after the god of medicine Asclepius. After visiting Epidaurus, we'll head back to Athens in the late afternoon.
