ITINERARY

DAY 1: ATHENS - DELPHI – ARACHOVA - METEORA

Our driver will pick you up from your Hotel, and we will start your private tour by moving north out of Athens and towards Delphi. Our first stop will be at the Archaeological site of Delphi, which includes the Temple of Apollo, the most famous Oracle of the Ancient World for more than 16 centuries, the Theater, the Stadium that hosted the athletic events of Pythia, and the Archaeological Museum. Delphi has been listed as a UNESCO World Heritage Site since 1987. After visiting the site, you can enjoy a traditional lunch in the village of Delphi. Later, we'll drive to the picturesque town of Arachova for a quick stop before crossing the Holy Mountain of Parnassus towards Meteora, a place uniquely sculpted by nature. We'll stay overnight in the town of Kalambaka, nestled beneath the Mountain, and view the spectacular sight of the rocky Mountain lit by night.

DAY 2: METEORA – VERGINA – VEROIA - THESSALONIKI

The following morning, we will visit a few monasteries perched atop magnificent rocks reaching up to 600 m. UNESCO has designated the monasteries of Meteora as a unique cultural heritage phenomenon and included them in the UNESCO World Heritage List in 1988. After this visit, you can have lunch in the town of Kalambaka, and later, we'll explore behind the rock of Meteora and move north to your next destination, Aigai, the Archaeological site of Vergina, featuring the Palace and the Tomb of King Philip. Our next stop will be Veroia, with a brief stop at the Altar of Saint Paul before continuing to Thessaloniki, where we will spend the night. After you check into your Hotel, we will go on a city tour of Thessaloniki.

DAY 3: THESSALONIKI – NEA FOKEA – PFILIPPI - KAVALA

The next day, we will start with a small city tour in Thessaloniki before we move out of the city East to Nea Fokea at the Agiasma (a catacomb) of Saint Paul. We can have lunch there before continuing to the Archaeological site of Philippi and Lydia's Baptistery. After our visit, we will drive to the City of Kavala, where you will stay overnight.

DAY 4: KAVALA – AMPHIPOLI - THESSALONIKI

Before we leave Kavala the next day, we will visit the Altar of Saint Paul and the city's castle. On our way back to Thessaloniki, we can stop at the Archaeological site of Amphipolis, then have lunch and check into your Hotel. We will stay overnight in Thessaloniki.

DAY 5: THESSALONIKI – DION – THERMOPYLAE - ATHENS

The next day, we will leave Thessaloniki and visit the Dion archaeological site and the Archaeological Museum, which is situated at the foot of Mount Olympus. Then we'll leave Dion to return to Athens, with a short stop at the memorial to the battlefield of Thermopylae, the monument to the Spartan King Leonidas, who fought with his 300 men and the 700 Thespians of Demophilos against hundreds of thousands of Persians, and all the Greeks were killed. In the late afternoon, we will arrive back in Athens.
